9. (Internal Use Only - LLM) [REDACTED] who is a Congressional Fellow presently assigned to the office of Representative Donald Riegle (D., Mich.), called and requested a briefing for the Congressman on Cambodia. She suggested [REDACTED] OCI, as the briefer and explained that the Asian and Pacific Affairs Subcommittee of House Foreign Affairs, on which Riegle sits, will hold hearings on Cambodia May 9 and 10.

10. (Internal Use Only - LLM) Ted Kazy, House Post Office and Civil Service Committee, called to assure that John Martiny, the Chief Counsel, had followed up my conversation with Kazy on the amendment to the Fair Labor Standards Act of 1938 (H. R. 4757). In response to my question, Kazy said that Representative Jerome Waldie (D., Calif.) is a strong supporter of the concept of the Ervin bill to preserve the constitutional rights of Federal employees but that Waldie is actively running for governor and his Subcommittee (Retirement and Employee Benefits) is not active. Kazy assumes Waldie will push the bill if he has an opportunity. We also reviewed the possible disposition toward the bill of the new members of the Subcommittee.

11. (Confidential - JMM) Senator John Stennis visited Headquarters for a luncheon and discussion with the Director and briefings by [REDACTED] and Carl Duckett regarding certain sensitive projects. The Senator was accompanied by Jim Woolsey, of the Senate Armed Services Committee staff. The Senator was genuinely interested and enthusiastic regarding the projects discussed. He remarked somewhat apologetically that because of his heavy commitments in recent months he had not given adequate attention to the Agency, but hoped to do so in the future after he has fully recovered.
